

PARENTAL LEAVE

At the time of birth, new parents are granted two (2) weeks off from coursework without penalty but can be required to makeup missed work. If medical issues arise, the two-week period can be extended. New parents have the right to take an Incomplete in any IH course they are enrolled in and are granted 6 months from the end of the semester to complete course work. These Incompletes will not preclude students from registering in courses requiring a prerequisite during the semester after becoming a new parent.

For more information, please contact Graduate Coordinator, Monica I. Garcia, Ph.D.
