This flowchart outlines resources designed to help students quickly resolve issues pertaining to academic and TA appointments.

- Issues can be most quickly resolved when handled with IH.
- Students can go directly to anyone on the flowchart (or UCM) for assistance.
- By taking issues directly to a Dean, students can preclude the Dean's ability to hear their appeals.
- IH student representatives are not resources for helping students resolve issues pertaining to academic or TA appointments.

**Academic Issues**

Interim Dean of Graduate Education  
Dr. Chris Kello

Graduate Division Academic Counselor
